

ELECTRICAL WING

The Electrical Circle is primarily responsible for providing Electrical Installations in all the Govt. residential and non-residential buildings and its maintenance thereafter. The department is also responsible for maintaining electrical installation of 16250 Govt. residential houses and 356 public buildings which also includes provision of elevators, fire sensing and alarm system, public address system, C.C.T.V.s etc. at the VVIP residences and important buildings such as Raj Bhawan of Punjab and Haryana, Civil Secretariat, Punjab & Haryana High Court, Vidhan Sabha and high security public buildings of the city. Providing street lighting in Phase-III of the city as well on new roads/areas under the charge of the Chandigarh Administration with its maintenance for 5 years thereafter, Providing ATC signals and blinkers on the city roads also falls under the purview of this Deptt. The Electrical works of all the Client Departments under Chandigarh Administration i.e. Sports, Health, Tourism, Education, social welfare, Law & Justice Deptt. etc. etc. are also being executed by Electrical Circles as a Deposit work.
